

## **Kaapse Buitepos Klub - Site Rules**

Area: Worcester

Site: Brandvlei Dam

Restrictions: Private Site. Kaapse Buitepos Klub members and guests only

Rating: SAHPA Basic (IPPA 3) - Winch

Care Taker: Kaapse Buitepos Klub

Landowner: Waterworks managed by Worcester Yacht Club.

Airspace:

- Ceiling: Cape Town TMA Class C, FL085
- Nearby: FAD157, SFC-FL70 10km E. Worcester airport and Sailplane winch park adjacent to the dam

Operations:

- Notify KBK the day before any planned operations in order to allow sufficient time to notify all parties affected such as the Worcester airport, Worcester flying club & Cape gliding club. This is a very active non paragliding flying area.
- A qualified air-band radio operator must be present and on radio at all times during operations. For safety reasons this should not be the winch operator or the skipper. Worcester Airport Air-band frequency: 124.8 mHz

Sign in: As you enter the yacht club, drive to the office and pay all fees.

Sign Out: None

Site Fees:

- Yacht club access fee and boat launching fees:
  - R 120 per car per day
  - R 70 for additional cars
  - R 70 boat launching
  - R 230 per campsite per night
  - Fees can change without prior notice.
- KBK access fee:
  - Members Free
  - Non Members
    - Free Flyers: R50-00 per pilot per day
    - Operators: R150-00 per operator per day

Parking:

- Drive down to the boat launch and camping area.
- Parking areas marked.
- Do not park on camping sites.
- Do not park in a way that blocks the road or access for other vehicles.
- VERY IMPORTANT: speed limit on the road with the yacht club is 20 km/h. Please keep to this limit as there are kids playing.

Other:

- Adhere to yacht club rules.
- Don't be an arse.
